

GCSE:

St. James' School is absolutely delighted with this years GCSE results, with 100% 5 or above A*- C for all it's Year 11 pupils.

Special congratulations to Sarah Collins who has 13 GCSEs at A or A* grade and Ishani Bagga who has 11 GCSEs at A or A* grade. Both Sarah and Ishani are a year younger than their equivalent peers. Many other pupils achieved A grades in excess of 8 subjects. The majority of these pupils will continue their Advanced Level education in St. James' School Sixth Form.

The students from abroad were entered for IGCSE English as a second language in preference to the standard GCSE, which means that their results do not figure in the other statistics.

Pupils in Years 9 and 10 have also excelled at GCSE level. A notable achievement is Riaz Karim who, at the age of 14, has attained 6 GCSE passes at A or A* grade. These excellent results can be attributed to the hard work and dedication of all staff and pupils alike.
