

House Mistress of Yarborough House

Hello, my name is Liz Champion and I am writing to welcome you to our 'Yarborough House Family'.

The Girl's Boarding House is called 'Yarborough House'. We have three members of staff, I work Monday to Friday and Ms Morey and Ms Campbell work during the weekend.

Please feel reassured that we will endeavour to encourage students to prepare for their academic and social well being; during their time at Saint James' School. Boarding gives an individual the experience to deal with many social challenges and allows them to learn in the boarding community how to become an individual in the wider world.

Our age range is from 7 years to 18 years and it is always amazing to see how much our students thrive in all aspects of school/boarding life.

We always like to encourage parents to either telephone or email to enable us to build a relationship with you as parents and to support us in the welfare of your child. Please don't hesitate to contact us if you have any queries, even if they appear small. We are here to help.

Our students welcome contact via email or telephone which enables friendships to be formed, prior to arrival. This ensures peace of mind for both students and parents alike leaving you feeling secure in the knowledge that you will already have built up relationships and will be looking forward to meeting the students you have been in contact with.

Both Boarding Houses have a warm, family atmosphere. This is one of the many attributes our school excels in and is commented on, frequently. All age ranges interact with each other, be it with homework, sports, or socially.

We do hope you have enjoyed reading about Yarborough House and we look forward to meeting you.
