Good luck to those students who are just embarking on their DofE journey. Also those who are still completing an award. A very special mention to those who are planning on starting the Gold award, which very few people are able to complete.

The DofE Award is not only extremely rewarding in relation to the life skills that young people obtain, but how it looks on a CV when applying for a job, is literally worth its weight in gold.

Well done again to all at St. James' who are involved in the Award.

This year's Inter-House Hockey fixtures were extremely hard fought contests between Prep and Senior pupils. The Lindsey team were the winners in Year 3 & 4 and Walkerly were the winners in the Year 5 & 6 competition. Lindsey and Walkerly House were joint top in overall points, with Walkerly winning on goal difference. In the Year 5 to 8 Field Hockey competition, Walkerly House were extremely dominant and won overall. Well done to all those who took part!

Mr. P. Parsons

The Prep Swimming Gala saw an extremely close battle for first place, with Walkerly just beating Lindsey past the post into first place. An enormous well done to all those determined swimmers who gave their all in representing their Houses.

Well done to the U11 7-a-side football team who won their football match against Middlethorpe Primary School on Monday evening, after a 1-1 draw score and the game went to penalties. They will now play in the final at Blundell Park on Monday 9th May.

The weather proved to be kind, and the course fairly dry, for this year's Senior Cross-Country, which was held at the YMCA in Grimsby. The competition proved to be extremely close, with all three Houses finishing on 12 points. The deciding factor came down to top-three places, with Walkerly just edging out Blakeney (2nd) and Lindsey (3rd). Please look on the school website for the over all results.

Mr. J. Hampson

Congratulations to Billy Wong (Year 12), who successfully defended the School Table Tennis Championships that he won last year, when he beat Leo Tsang (Year 9) in a close three set final. The Girls' final was equally close, with Orlaith Nation (Year 10) just edging out Tabea Kerner (Year 12). Kevin Ho (Year 12) enjoyed the most defences of top spot in the ladder, whilst Anton Van Marion (Year 11) managed to get his nose in front right at the end, to lead the ladder over the summer months. Kevin, Billy and Leo are now playing regularly in the Grimsby and District Leagues. Lindsey House proved too strong in the House competition and their team of Billy, Leo, Arick and Anton remained unbeaten, with Blakeney finishing as runners-up.
