BOARDING ENRICHMENT PROGRAMME 2020

At St. James', we pride ourselves in the family environment we create for our boarding students. In addition to their full and varied curriculum during the school day, we offer students the chance to join clubs in the local area in order to develop any skills or interests they may have or wish to experience.

We like to create bespoke additions to our enrichment programme, any students with hobbies not listed in the current programme will be catered for if available in the local area. Where possible, boarders are driven to and collected from, and often accompanied to the activities.

Our new 'all-inclusive' fee structure, which includes excursions and in-house activities, makes budgeting much easier for parents. The local evening and weekend enrichment clubs, activities and trips are subject to additional fees (highlighted below *).

Evening Enrichment (Local clubs)

- *North East Lincolnshire Badminton - Monday
- Grimsby and Cleethorpes Youth Orchestra - Tuesday
- *Grimsby Harriers Athletics - Monday and Wednesday
- *Grimsby Vikings Basketball - Monday and Friday
