The Friends of St. James' School are a friendly group of dedicated people who volunteer their time to support St. James' School.

We aim to:-

PROMOTE - A close community between teachers, parents and pupils, making St. James' a place everyone feels part of (together).

ENHANCE - Raise funds to help support and enhance educational experience.

ENRICH - Provide fun, family activities to make the students time at St. James' School more memorable.

Who Are FOSJ?

The Friends of St. James' School is run by a committee which is elected each January. The current committee is made up of Vicky Dann, Jane Godfrey and Lowri Murray. All of the committee members are Mums who have children at various stages throughout the Pre-Prep, Prep and Senior Departments within the School.

The committee is supported by a core group of members who volunteer their time at school events. It can't work without the help and support of the whole school community.

We are always looking for more people to join us whether it be to make cups of tea at an event, send out letters, sell raffle tickets, run a stall or donate a raffle prize.

It doesn't matter how much time you can give, every little helps.

If you would be interested in joining us please contact us via Facebook
